## Qantas profit a tribute to the hard work of ASU members

**Qantas has today announced a record profit of \$1.53 billion, in no small part a result of the hard work and sacrifices made by ASU members and other staff.**

Cuts, restructures and redundancies have been the norm for years now and all the while ASU members across Australia have given their all. This result is a tribute to your perseverance and dedication over these trying times.

Your ASU National Negotiating Team are working hard to get the best deal we can out of EBA 11, this includes the cash bonuses that have been announced.

Our next EBA 11 negotiating meeting is on tomorrow, 25 August and we will continue to press hard for an agreement that recognises your record breaking contribution.
