

Time to sign off on the EBA

After an exhaustive drafting process your National Negotiating Team intend to hold meetings of members this week to discuss the final version of our new EBA which we will recommend should be endorsed by ASU members and should go out formally to all staff on 24th October 2016.

It has been a long road but everything we said in principle would be included has been included in the final EBA or in an explanatory letter.

Come to a meeting

To hear the ins and outs of the agreement make sure you attend a local meeting between 17 - 21st October 2016.

This EBA has been achieved through the hard work and dedication of ASU members and delegates and there is no doubt there are many important changes in this EBA that would not have happened without the solidarity and unity of ASU members

Got any questions?

If you have queries contact your local ASU delegate/NNT member or organisers.
