

## All our claims tabled for the Jetstar EBA 6

At our 2<sup>nd</sup> meeting with Jetstar management on 9<sup>th</sup> October 2017 we tabled most of our remaining detailed claims, as follows:

**Claim 10** - Ensure job security of Jetstar employees by providing that any contractors are paid the same rates and conditions.

**Claim 25** - Provide for the ability to access job share arrangements.

**Claim 28** - Increase the company superannuation contribution to 12%.

The ASU made the commitment to provide Jetstar with further information including 4 additional clauses with the expectation that Jetstar management will respond to our claims as a whole package at the next EBA meeting.

Copies of the detailed claims are available from your local ASU organisers or National Negotiating Team members.

### Management “outline their claims

Jetstar management “outlined” their general claims saying they want no major changes to the existing agreement though they did say they want:

- 4 year agreement.
- Reduced application of NIL48 arrangements.
- Changes to management and acquittal of Annual Leave entitlements.

- Discussion about management of sick leave patterns.
- Reduction in frequency of national consultations with the ASU.

At this stage of the negotiation there is no saying whether this news is good or bad. The detail is important. We expect greater detail about Jetstar’s claims at our next meeting.

The company has said they want no major changes to your agreement but we will have to hear from Jetstar about what their claims mean for you.

### Our next meeting

Our next meeting is scheduled for 26<sup>th</sup> October 2017. Watch out for more details.
