

Singapore Airlines bargaining update - ASU member survey

The Australian Services Union is your union at Singapore Airlines. Union members are getting ready to bargain with Singapore Airlines on a new Enterprise Bargaining Agreement (EBA) and we want to know what you think. Your EBA outlines all your wages and working conditions for the next few years.

Do you want Singapore Airlines to have some of the best conditions in the sector? This is your opportunity to have your voice heard.

All staff are invited to take part in this survey to have your say about your work at Singapore Airlines - what you like about your work, what you want to change, and what is important to protect in the future. Only ASU members can be represented by the ASU during negotiations – so join today, to make sure you have a seat at the table. When we stand together in union, we win. Join with your colleagues to protect and improve your pay and conditions at Singapore Airlines.

You can access the survey online [here](#).

The survey will close on Monday, 19 February 2020.

You can join the ASU online now at <https://www.asu.asn.au/asujoin>.
