Fair Work Commission Approves EBA 10

Today the Fair Work Commission approved ASU/Qantas EBA 10.

Two employee bargaining reps from Brisbane Airport appeared at the Fair Work Commission representing their own interests to oppose the approval of the agreement.

These two employees argued that certain part time conditions in the EBA indirectly discriminated against them.

Both the ASU and Qantas submitted that none of the clauses in EBA 10 contained any discriminatory terms. Commissioner Johns completely rejected the claims of the two staff from Brisbane and went on to approve the agreement.

The ASU takes very seriously its obligations and responsibilities to ensure every EBA we negotiate is lawful and is supported by the members of the union. It is important to note that EBA 10 was overwhelmingly approved by ASU members and was the subject of full consultation with members throughout the process.

We believe that EBA 10 delivers some important improvements to ASU members:

- 3 year EBA to 30 June 2016.
- 3 % p.a. from first pay period on or after 1 July 2013, 1 July 2014 and 1 July 2015.
- Change in the higher duties and promotion increments to third pay point for jobs at the next level
- Commitments on Job security for Airports in relation to Next Gen Check-in
