Credit Card Payment

You can pay your subscriptions monthly, quarterly or yearly by credit card (Mastercard or Visa only). **Monthly** subscriptions are payable in advance on the first of each month. **Quarterly** subscriptions are payable in advance on 1 January, 1 April, 1 July and 1 October. Annual subscriptions run until the end of each financial year. We invoice members who pay annually in June. Annual subscriptions are due on 1 July, but many members prefer to pay by 30 June to obtain their tax deduction early.

If you wish to pay a **yearly** subscription for the balance of the financial year, then multiply your current monthly amount by the number of complete months until 30 June.

A 7.5% discount applies if you pay your annual subscription by 31 July of that financial year. You can get a tax deduction for your annual subscription in the current year, by paying it no later than 30 June.
